

MEAL PLAN

Goal: 1430–1600 cal on regular days | 1000–1100 cal on banking days **Protein target:** 130–150g/day **Style:** Mediterranean + low-carb | Vegetarian | One cook per day, split across 2 meals

WEEKLY MEAL PREP

PANEER (~230G PER DAY, 6 PORTIONS)

Yield: ~1.4kg from 2 gallons 2% milk + 1 gallon whole milk

1. Heat 3 gallons of milk (2 gallons 2%, 1 gallon whole) to 185°F, stirring to prevent scorching
2. Remove from heat, slowly stir in 1/2 cup distilled white vinegar
3. Let sit 5–10 minutes until curds fully separate
4. Line a colander with cheesecloth, pour in curdled milk
5. Drain 30 minutes, then press firmly 1–2 hours with a heavy pan on top
6. Unwrap, cut into 6 equal portions (~230g each), refrigerate up to 6 days

Macros per 230g portion: ~490 cal | 38g protein | 10g carbs | 28g fat

ROASTED VEGETABLE MIX (~245 PER DAY, 6 PORTIONS)

Yield: ~1.5kg roasted veg

1. Preheat oven to 425°F. Pat frozen veg dry after thawing to improve caramelization
2. Combine in a large roasting pan:
 - 3x 8oz tubs pre-cut white mushrooms
 - 1x 20oz frozen pepper and onion blend, thawed and drained
 - 3x 12oz frozen spinach
3. Toss with 2 tbsp EVOO, salt
4. Roast 50–60 minutes tossing halfway, until caramelized
5. Portion into 6 equal containers (~300g each), refrigerate up to 6 days

Macros per 245g portion: ~87 cal | 9g protein | 15g carbs | 1g fat

PIZZA DOUGH (8 PORTIONS, FREEZE INDIVIDUALLY)

INGREDIENTS

- 630g bread flour
- 15g sugar
- 10g kosher salt
- 10g instant yeast
- 32g oil
- 420g lukewarm water

Toppings (per full pizza, not used in this plan's recipe):

- 24oz tomato sauce jar
- 1 lb mozzarella cheese

METHOD

1. Combine all dry ingredients (flour, sugar, salt, yeast)
 2. Add oil and lukewarm water, mix until shaggy
 3. Knead until dough passes the windowpane test (~10 min by hand, ~6 min by machine)
 4. Divide into 8 equal portions (~142g each)
 5. Shape into balls, place in oiled containers, and ferment in the fridge 24–72 hours
 6. Freeze individually in zip bags; thaw in fridge overnight before use
-

SNACK OPTIONS

Always includes **Kirkland whey shake** (~160 cal | 25g protein | 5g carbs | 3g fat) + optionally one of:

QUESADILLAS

~1477 cal | ~116g protein | ~147g carbs | ~47g fat

INGREDIENTS

- 3 large whole wheat tortillas (1.5 per meal)
- 230g paneer, crumbled and split evenly
- 245g veg mix, split evenly
- 150g canned black beans, drained, split evenly

- salsa for topping
- Frank's Red Hot
- cumin, chili flakes, oregano
- Snack: Kirkland shake + 200g Greek yogurt (served as sour cream on the side)

METHOD

Heat a dry pan over medium-high. For each meal: lay 1 full tortilla flat, add half the paneer, veg mix, and black beans on one side, fold over and cook 3–4 min per side until crispy. Cut the half tortilla into 2 triangles and serve alongside. Top with Greek yogurt, salsa, and Frank's.

Highest carb day — best on a lifting day.

PANZANELLA-STYLE SALAD

~947 cal | ~80g protein | ~68g carbs | ~34g fat

INGREDIENTS

- 230g paneer, cubed
- 245g veg mix
- 2 slices whole wheat bread, toasted and torn into chunks
- fresh tomato if available
- 2 tbsp balsamic
- chili flakes, basil, oregano
- Snack: Kirkland shake only

METHOD

Toast and tear bread. Combine all ingredients. Dress with balsamic and spices. Let sit 5 min so bread absorbs juices. Split into 2 portions.

Component	Cal	Protein	Carbs	Fat
Paneer 230g	490	38g	10g	28g
Veg mix 245g	87	9g	15g	1g

IDAHO POTATO AND PANEER SOUP

~1152 cal | ~83g protein | ~81g carbs | ~52g fat

INGREDIENTS

- 250g Idaho potato, roughly diced
- 230g paneer, cubed
- 245g veg mix
- 1 tbsp EVOO
- 2 cups vegetable broth
- cumin, paprika, turmeric, chili flakes, salt
- Snack: Kirkland shake + 1 cheese stick

METHOD

Heat EVOO in a deep pot. Add veg mix and spices, cook 2 min. Add potato and broth, simmer 15 min until potato is very soft. Partially blend with a hand blender — leave chunky, not smooth. Add paneer cubes and simmer 3–4 min. Split into 2 portions.

Component	Cal	Protein	Carbs	Fat
Idaho potato 250g	215	5g	50g	0g
Paneer 230g	490	38g	10g	28g
Veg mix 245g	87	9g	15g	1g
