

MEAL PLAN

Goal: 1430–1600 cal on regular days | 1000–1100 cal on banking days **Protein target:** 130–150g/day **Style:** Mediterranean + low-carb | Vegetarian | One cook per day, split across 2 meals

WEEKLY MEAL PREP

PANEER (~230G PER DAY, 6 PORTIONS)

Yield: ~1.4kg from 2 gallons 2% milk + 1 gallon whole milk

1. Heat 3 gallons of milk (2 gallons 2%, 1 gallon whole) to 185°F, stirring to prevent scorching
2. Remove from heat, slowly stir in 1/2 cup distilled white vinegar
3. Let sit 5–10 minutes until curds fully separate
4. Line a colander with cheesecloth, pour in curdled milk
5. Drain 30 minutes, then press firmly 1–2 hours with a heavy pan on top
6. Unwrap, cut into 6 equal portions (~230g each), refrigerate up to 6 days

Macros per 230g portion: ~490 cal | 38g protein | 10g carbs | 28g fat

ROASTED VEGETABLE MIX (~300G PER DAY, 6 PORTIONS)

Yield: ~1.8kg roasted veg

1. Preheat oven to 425°F
2. Combine in a large roasting pan:
 - 3x 8oz tubs pre-cut white mushrooms
 - 2 medium onions, roughly chopped
 - 2 cloves garlic, smashed
 - 3 peppers (1 yellow, 1 red, 1 orange), chopped
3. Toss with 2 tbsp EVOO, salt, oregano, chili flakes
4. Roast 50–60 minutes tossing halfway, until caramelized
5. Portion into 6 equal containers (~300g each), refrigerate up to 6 days

Macros per 300g portion: ~110 cal | 5g protein | 18g carbs | 3g fat

PIZZA DOUGH (8 PORTIONS, FREEZE INDIVIDUALLY)

INGREDIENTS

- 630g bread flour
- 15g sugar
- 10g kosher salt
- 10g instant yeast
- 32g oil
- 420g lukewarm water

Toppings (per full pizza, not used in this plan's recipe):

- 24oz tomato sauce jar
- 1 lb mozzarella cheese

METHOD

1. Combine all dry ingredients (flour, sugar, salt, yeast)
2. Add oil and lukewarm water, mix until shaggy
3. Knead until dough passes the windowpane test (~10 min by hand, ~6 min by machine)
4. Divide into 8 equal portions (~142g each)
5. Shape into balls, place in oiled containers, and ferment in the fridge 24–72 hours
6. Freeze individually in zip bags; thaw in fridge overnight before use

Note: This plan uses 150g per pizza day (just over 1 portion). The toppings listed above are for a traditional pizza — this plan substitutes paneer, roasted veg, spinach, and pesto instead.

SPINACH (~170G PER DAY)

Use half a 12oz frozen bag daily. Sauté straight from frozen or thaw overnight.

Macros per 170g: ~40 cal | 5g protein | 6g carbs | 0g fat

SNACK OPTIONS

Always includes **Kirkland whey shake** (~160 cal | 25g protein | 5g carbs | 3g fat) + optionally one of:

Option	Cal	Protein	Carbs	Fat
Low fat Greek yogurt 200g	~110	20g	12g	2g

Unsalted peanuts 30g	~170	7g	5g	15g

RECIPES

All recipes use your daily base: **230g paneer + 300g roasted veg + 170g spinach**. Cook once, split into 2 equal portions for both meals.

PIZZA WITH EGGS

~1482 cal | ~109g protein | ~95g carbs | ~68g fat

INGREDIENTS

- 150g frozen pizza dough (1/8 recipe), thawed
- 30g Calabrian chili pesto
- 230g paneer, crumbled
- 300g roasted veg
- 170g spinach
- 2 whole eggs
- chili flakes, oregano, salt
- Snack: Kirkland shake + 2 cheese sticks

METHOD

Stretch dough thin on a floured surface. Spread pesto as sauce. Scatter roasted veg, spinach, and crumbled paneer. Crack 2 eggs directly on top. Bake at 475°F for 12–15 min until crust is golden and eggs just set. Slice and split into 2 portions.

QUESADILLAS

~1540 cal | ~117g protein | ~156g carbs | ~49g fat

INGREDIENTS

- 3 large whole wheat tortillas (1.5 per meal)
- 230g paneer, crumbled and split evenly
- 300g roasted veg, split evenly
- 170g spinach, split evenly
- 150g canned black beans, drained, split evenly
- salsa for topping
- Frank's Red Hot
- cumin, chili flakes, oregano
- Snack: Kirkland shake + 200g Greek yogurt (served as sour cream on the side)

METHOD

Heat a dry pan over medium-high. For each meal: lay 1 full tortilla flat, add half the paneer, veg, spinach, and black beans on one side, fold over and cook 3–4 min per side until crispy. Cut the half tortilla into 2 triangles and serve alongside. Top with Greek yogurt, salsa, and Frank's.

Highest carb day — best on a lifting day.

BANKING DAYS (CALORIE BANKING: 1000–1100 CAL)

Use the day before eating out. High fiber, high volume, low calorie. Target ~1000–1100 cal to offset a ~1800–2000 cal restaurant meal, averaging ~1500/day over 2 days.

WARM SPINACH SALAD

~1030 cal | ~85g protein | ~47g carbs | ~53g fat

INGREDIENTS

- 230g paneer, crumbled
- 300g roasted veg
- 170g spinach
- 1 tsp EVOO
- 2 tbsp balsamic vinegar
- chili flakes, oregano
- Snack: Kirkland shake + 2 cheese sticks

METHOD

Heat pan, deglaze roasted veg with balsamic. Pour warm over raw spinach to wilt slightly. Top with crumbled paneer. Drizzle EVOO. Split into 2 portions.

Component	Cal	Protein	Carbs	Fat

PANZANELLA-STYLE SALAD

~1010 cal | ~81g protein | ~77g carbs | ~36g fat

INGREDIENTS

- 230g paneer, cubed
- 300g roasted veg
- 170g spinach
- 2 slices whole wheat bread, toasted and torn into chunks
- fresh tomato if available
- 2 tbsp balsamic
- chili flakes, basil, oregano
- Snack: Kirkland shake only

METHOD

Toast and tear bread. Combine all ingredients. Dress with balsamic and spices. Let sit 5 min so bread absorbs juices. Split into 2 portions.

IDAHO POTATO AND PANEER SOUP

~1085 cal | ~84g protein | ~95g carbs | ~40g fat

INGREDIENTS

- 250g Idaho potato, roughly diced
- 230g paneer, cubed
- 300g roasted veg

- 170g spinach
- 1 tbsp EVOO
- 2 cups vegetable broth
- cumin, paprika, turmeric, chili flakes, salt
- Snack: Kirkland shake + 1 cheese stick

METHOD

Heat EVOO in a deep pot. Add roasted veg and spices, cook 2 min. Add potato and broth, simmer 15 min until potato is very soft. Add spinach and stir until wilted. Partially blend with a hand blender — leave chunky, not smooth. Add paneer cubes and simmer 3–4 min. Split into 2 portions.

Component	Cal	Protein	Carbs	Fat
Idaho potato 250g	215	5g	50g	0g
Paneer 230g	490	38g	10g	28g
